Burgundy Matt

Havana

Black Matt

Havana brings the vibrancy of Cuba's iconic streetscapes into contemporary interiors through a palette of bold, expressive colour.

The Spanish-made collection features classic square-format and subway shapes, finished in a painterly glaze. New season colours can be mixed & matched in playful combinations or used singularly to create a striking colour-drenched effect.

Each tile carries a handcrafted aesthetic that captures the energy, warmth and creative spirit of Havana's architectural culture.
