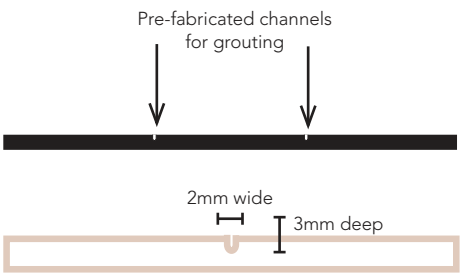
Enquire for availability.
All sizing is nominal.

Disclaimer: All information stated on our product boards are correct at the time of printing and is subject to change without notice. Slip ratings can vary between productions and we recommend confirmation at the time of specifying.

IMPORTANT INFORMATION:
When Installing the Santosa range, our recommendation is as follows:

- A 2mm grout joint is mandatory between the tiles.
- Self levelling spacers should be used while installing these tiles.
- It is suggested to use Mapei Ultracolour Plus grout or any other grout with CLASS CG2FWA



Pre-scored Tile Configurations

Santosa tiles are scored to size within a larger 300 x 600mm tile.
Grout joint of 2mm between tiles is necessary.
