Haiku

Amber

Inspired by the storied ceramic traditions of Japan, the Haiku collection is characterised by organic glazes and subtle tonal movement. Much like the poetic three-line prose that shares its name, this range is available across three ornate formats.

Gloss and milky glazes delicately pitted provide subtle chromatic shifts, while imperfect shapes call on the hand-made traditions of the past.

The Haiku range enriches a space with a sense of grounded luxury, taking modern interiors and energizing them with quiet rebellion.
