Clay

Opal

White

Introducing the Opal range– a speckled, terrazzo-style collection, empowered by the durability of porcelain and inspired by the magic of the Australian desert.

From crisp, cool neutrals to rich, earthy terracotta, the palette is curated to be mixed and matched, allowing for custom transitions that feel as cohesive as they are creative.

The varied, realistic aggregate patterns brings your space to life – a tasteful solution for those who want a bold, tactile finish that remains grounded in practical everyday use.
