Symphony

Burgundy, Green, Red, Black

Introducing Symphony, a collection of decorative marble wall tiles in a modern 50 × 200mm brick format.

The range spans nine distinctive colours across three tactile edge finishes – soft edge, pillow edge and irregular edge – each enhancing the natural character of the stone.

From bold, expressive hues through to more restrained tones, and each with their own unique patternation or veining, Symphony offers a harmonious balance of natural colour and texture.
